(Sold as a 4-Pack)  
Part # 2460-304-000

Coming Soon as an Accessory!

### Versatility and Convenience:

- Individual cells are able to be charged in most AA NiMH battery chargers.
- Allows for back up cells to be charged and ready to maximize usage and minimize downtime.
- Same performance as before.
- Cells will charge (as before) while in the light when it's in the charging station.
- Able to be used in many other Pelican torches that run on AA alkaline batteries.
