TITLE: BLACKJACK HELMET HOLDER HAVE NOT PASSED ATEX CERTIFICATION TESTS

DETAILS: Please Note that the new blackjack helmet holders are not certified for ATEX-related use. Therefore we strongly recommend not to use these holders in any environment where ATEX-certified performance is needed.

This recommendation **extends to the rest of universal helmet holders and double down strap holders** that Peli offers nowadays.

0780 - Full House

0781 - Ace

0782 - All-In

0783 - Double Downs
